

MANNY RODRIGUEZ PHOTOGRAPHY STUDIO GROUND BREAKING AUGUST 08, 2012

Fwadg welcomes our newest addition to our growing family dedicated to improving our community, Manny Rodriguez Photography.

Ground was broken on the new development Tuesday, August 7th, 2012, with the help of Will Pinkerton, Alicia Quintans, Monte Anderson, Vanessa Rodriguez, and Manny Rodriguez. The "Graffiti House" will be rejuvenated and re-purposed to house the new Manny Rodriguez Photography offices; and a 5000 ft studio will be newly constructed just to the north of the "Graffiti House" building.

The new location is scheduled for completion January of 2013.

Thank you again to all who came out and made this a fantastic ground breaking including Angeline Churchill, granddaughter of the original owners of the farm house, members of the Old Oak Cliff Conservation League, staff from Metro Paws and Chris Jeffers from Smoke/Chicken Scratch
