**APRIL 19TH DEADLINE**  
TIME IS RUNNING OUT,  
SUBMIT YOUR PROPOSAL NOW!

**CLICK HERE:** <http://bit.ly/VQBodh>

### Overview and Project Goals

The Fort Worth Avenue Development Group is happy to announce the return of the Spare pARTS Public Art Initiative. We are requesting proposals from Dallas area artists for functional, site-specific artwork that encourages pedestrian activity and makes use of recycled/repurposed materials. Our goal is to encourage street life and pride along Fort Worth Avenue by recruiting and supporting the artistic ingenuity that epitomizes the DIY spirit of the area.

### WHAT

- Reuse, repurpose:** Installations must make use of recycled, re-used, and re-defined materials in keeping with the spirit of the incremental redevelopment of the neighborhood.
- Utility:** The art is required to fill a utilitarian role, such as providing shade, seating, bike parking, lighting, etc.
- Location:** The installation will be placed on private property along Fort Worth Avenue. Artists are encouraged to visit the site and must tailor their proposal to that specific location.

#### The site for 2013 is:

- Vendor Trailer area fronting Dallas West Mobile Home/RV Park on W. Commerce St.
- Budget:** The project budget is \$5000. This amount is to cover materials, supplies, labor, and installation costs. Please consider the cost of anchoring, lighting, and any landscaping in your proposal.
- Lifespan:** It is understood that due to the material nature and budgetary limits these works will not last forever, but they should be designed and built to remain functional for a period of at least five years.
- Artist Eligibility:** All artists must be at least 18 years of age.

LAST YEARS WINNING DESIGN  
Mobius Bench by Glissman & Horn

### HOW

#### Selection Process:

Any artist/artist team over 18 years of age can submit one or more proposals. There is no fee for submissions. The selection panel jury consists of 5 local area arts professionals, chaired by Kay Kallos, Office of Dallas Cultural Affairs

All submissions will be reviewed by the selection panel. Three submissions will be selected as finalists, and the artists must present their projects to the selection panel in person. Each of the three finalists will receive a \$100 stipend to cover additional time and materials spent on project details such as final illustrations and /or 3D renderings.

#### Submission Requirements

1. Letter of Interest: Please describe your interest in the project and your approach towards the installation. Please include a description of the location, the scale of the installation, materials to be used, and requirements for long-term (5 years) maintenance and care. Letters should be no more than one page in length.
2. Resume/CV: Please include a professional resume or CV along with a brief biography and artist statement.
3. Image of proposed work: Please include a rendering, sketch, photo, 3D, or other visual representation of the work for review.
4. Images of past work: Please include relevant images of past artworks. Images may be submitted via prints, CD, or as hyperlinks to online photos.
